Gentlemen:-

We enclose herewith invoice for fencing erected at your property, the amount being as given us by the office of Carrere & Hastings, architects.

When we completed the work at your property our mechanics left in the basement a bundle of heavy drills which they were unable to take away.

We have requested the American Express Co. to call for these. Our people left the package properly marked with tags for forwarding to us at Garwood, N.J.

Will you kindly have same given the express company when they call.

Very truly yours,
